

Declaration for the installation of partly completed machinery and EU Declaration of Conformity

according
EU directive 2006/42/EC Annex II B „Machinery Directive“

We hereby declare under our sole responsibility that the product

Product type:	Electric actuator
Product name:	Pico

complies with the essential requirements of Directive 2006/42/EC.

The product is a partly completed machinery as defined in Article 2(g) of Directive 2006/42/EC. The specific technical documentation referred to in Part B of Annex VII of that directive has been established. Competent authorities shall, upon reasoned request, receive the above-mentioned documents on data carrier.

This partly completed machinery may not be put into service until it has been ensured that the machinery into which the actuator is to be incorporated complies with the provisions of Directive 2006/42/EC in so far as it is applicable.

The product also complies with the basic requirements of the following EU directives:

2014/30/EU	Electromagnetic compatibility
2014/35/EU	Low-voltage Directive
2011/65/EU + 2015/863/EU	RoHS-Directive

Compliance with the following harmonised standards has been ensured:

DIN EN ISO 12100:2011-03	(„Safety of machinery“)
DIN EN 61010-1:2020-03	(„Safety requirements for electrical equipment for measurement, control, and laboratory use“)
DIN EN 61000-6-2:2019-11	(“EMC, Generic standard - immunity for industrial environments”)
DIN EN 61000-6-3:2022-06	(“EMC, Em. standard for residential, commercial and light-industrial env.”)
